

Introduction to Social Work and Social Welfare: Empowering People, 2009, 640 pages, Charles Zastrow, 0495809527, 9780495809524, Cengage Learning, 2009

The bestselling book on the market, Zastrow's Introduction to Social Work and Social Welfare: Empowering People, 10e is also acclaimed as the most comprehensive. Giving readers a thorough overview of the social work profession, the text examines contemporary society with a realistic view of social problems--equipping students with real-world insight they can put into practice. By presenting positive strategies in the context of the core values, ethics, skills, and knowledge base of today's professional social worker, Zastrow encourages students to think about new and realistic ways to solve problems and empower clients. A wealth of social problems cases, exhibits, and tables helps students apply concepts and compare and contrast the issues. The Tenth Edition has been thoroughly updated to include the latest Standards updates as well as new and emerging issues from the field. Packed with cutting-edge coverage and comprehensive CSWE core content, Introduction to Social Work and Social Welfare: Empowering People, 10e continues to inspire students while giving them true insight into real-world practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
